

# Another Step!

## Chiba City, A City Creating the Future

### From market research to full-scale expansion

We will support your company's development!

Starting October 1, 2013, our subsidy system for

the leasing of office locations by foreign-affiliated companies has been redesigned.

Eligible offices starting at **20 m<sup>2</sup>** or larger, with **2** or more people involved in business operations, what's more, the subsidy period for leasing costs has been extended to **3** years.

Furthermore, if you decide on full-scale expansion into the Japanese market after completing your research, we will provide unparalleled support for your company in our subsidy system for *the leasing of head office*.
