情報等はこちら

From October 1st 2026, the "No Street Smoking and Rubbish Dumping Prevention Area"

JR Chiba Station East Exit Area

will be made bigger.

Special officers patrol and check the roads, parks and public spaces* in the target area. They stop people throwing away rubbish and smoking in these areas.

*"Public spaces" are roads, parks and open areas that are owned by companies and owned by the city. These areas are open to everyone and many people can enter them freely.

Those who break this law* will pay a

2,000 yen fine.

*No Street Smoking and Rubbish Dumping Law

Illegal Acts

- ✗ Smoking outside in the street in public areas located in the target area
- ✗ The throwing away of empty cans, plastic bottles and cigarette butts etc. in public spaces

More information about projects in other areas is available here
