How to use the COVID-19 Vaccination Certificate App

Select Purpose	Reading/Input MyNumber Card Info	Select Issuer	Confirm Contents	List	Details

---

Select Purpose

Select whether you will use the certificate domestically or abroad.

Reading/Input MyNumber Card Info

Insert the 4-digit security PIN that you set up when you first picked up your MyNumber card. Be aware that if you input your PIN wrong 3 times, your account will be locked. (If that occurs, you must bring your MyNumber card and personal ID documents to any **Citizen's General Inquiries Division** or any **Civic Center** to reset your security PIN.)

Place your MyNumber card flat against your smartphone to have it read. Depending on your smartphone device, the location where you have to place your MyNumber card may differ.

Select Issuer

Select the municipality that is stated on your residence record when you got vaccinated. If you changed addresses between your 1st and 2nd vaccines, each local municipality will issue the certificate.

Confirm Contents

Check if all the inputted content is correct. If it is not, please call the **Chiba City Corona Vaccine Call Center (0120-57-8970). (if you got vaccinated with a vaccine voucher from Chiba City)** *MyNumber Card related questions will not be answered

---

Details

Once your certificate has been issued, you can open the application at any time to display it.
